

Message from the Commander

Happy Spring everyone.

We were able to purchase the Gazebo for the new patio. We will need to have several days of good weather and five or six healthy volunteers to erect it. I suspect it will take two to three days to accomplish this.

At the March Post meeting it was decided that we will work with Arrow International for our E-Bingo machines, provided the information they presented us about their machines and the projected income we can expect remains accurate.

At the March meeting we conducted our first of two rounds of nominations for Post officers. There are several elected positions open. We had no nominations for the Post Senior Vice Commander or for the three-year Trustee. If anyone is interested, please attend our meeting on April 19th.

I would like to let everyone know that Attorney General Dave Yost is having inspectors from his Charitable Law Section going out to posts and fraternal organizations to determine the organizations eligibility to conduct electronic instant bingo. Any interference in their inspections will end up in delaying the issuing of that organizations license and may prevent them from obtaining a license at all.

I would like to thank Gary Filaseta for taking the time to disassemble the old beer cooler, removing it from the canteen and installing the new one.

VFW 4719 has made a monetary donation to the Mott's Military Museum. This donation allows members of this VFW and its Auxiliary to visit the museum at no cost. Just show your current VFW or Auxiliary membership card at the front desk.

The Season of Lent and Easter

Growing up as a Catholic, the season of Lent has always been a time to sacrifice and to pray a little more as we prepare for Easter Sunday and the Resurrection of Christ. I have always tried to lead by example but scripture tells us to pray silently in the inner room, give alms, but don't let your left hand know what the right hand is giving. We live in a country that has been very blest. We owe our blessings to the thousands of our comrades who have made the final sacrifice so we can live in the land of the free and home of the brave. Also let us not forget thousands of veterans who need help to survive in this world today. Pray for them and pray for yourself that you may find the courage to step forward to lend a helping hand. A simple phone call (or visit) to a friend (comrade) can make the world of difference. It's the little things that will bring a smile to the face of a lonely comrade.

Prayer Requests

Prayer is an important part of my life and I thank God every day for the gifts I have. If you know of anyone that may be in need of prayers please contact me by email at unpireswp@gmail.com or 614-506-5793.

Message from the Auxiliary President

Happy Spring!

National VFW Auxiliary President Jean Hamil made a visit to District 11 this past March. I had the opportunity to visit the Motts Military Museum and attend a dinner in her honor that evening. If you have not been to Mott's, I highly recommend you go. There is so much to see that you may have to go back several times.

Our elections will be taking place at this months' meeting. I encourage all members to review the responsibilities of officers, even if you are not considering an office, so that you know what is expected of those officers. We will also be electing delegates for the upcoming Department Convention, June 15-19, 2022 at Kalahari Resorts and Convention Center. You do not have to attend the convention to be a delegate. As a delegate, it gives our auxiliary voting rights during general assembly. Let me know if you have any questions.

Friday Dinner Sunday Breakfast

It takes several volunteers to help meals run smoothly.

Friday dinners need people to serve the meals, distribute desserts, and clear tables.

Sunday breakfasts need people to serve meals and clear tables.

Both dinner and breakfast also need people to wash and dry dishes

If you are interested in volunteering to assist with meals see Canteen Manager Dutch Grootendorst.

MILITARY HUMOR

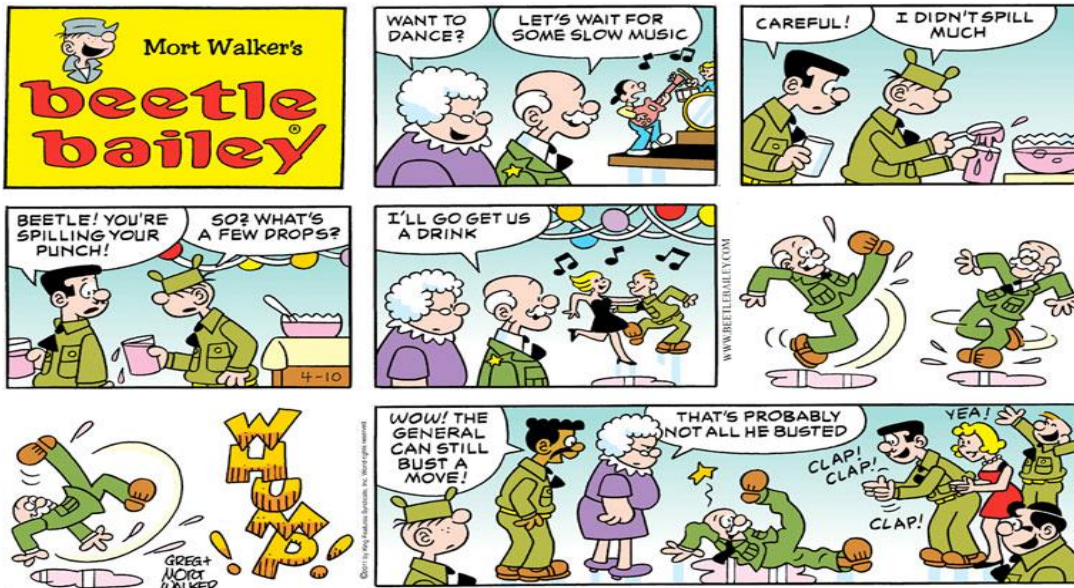

Army say "H00000AH"
 Marines say "00000RAH"
 Navy and CG say "H000000YAH"
 Air Force says "OKEY DOKEY"

Officer: "Soldier, do you have change for a dollar?"
 Soldier: "Sure buddy."
 Officer: "That's no way to address and officer! Now, let's try it again!"
 Officer: "Soldier, do you have change for a dollar?"
 Soldier: "No, SIR!"

As the general inspected our troops, he asked some of the Marines which outfit they were serving with. Ramrod straight, each would respond, "Marine Air Group 36, sir" or "Second Marine Division, General." Then there was one young private. When the general asked, "Which outfit are you in?" the Marine replied, "Dress blues, sir, with medals!"
